What people are saying about Elizabeth's workshops:

Every body in this class participated and we all became friends – there was so much laughter and we really are not the only ones going through the situations. It was such a wonderful time to participate in Elizabeth's class. Bernice Bellham

An excellent program which is well presented, interesting and informative. Elizabeth is a motivational presenter. Dianne Scott-Young

I very much enjoy these sessions. I find them educational and relevant to what I am dealing with related to my children. Tess Robinson YCIS

The course was really excellent and entertaining, with a good combination of learning, but with fun examples. Amanda Thomson YCIS
